Week 11

8 April 24

Term 1

I can't believe we are almost at the end of the term - where did the last 10 and a bit weeks go!. It's great to see the student progress that's happened in such a short time. School holidays start on Friday.

Over the last couple of weeks there have been spot prizes from Trust House as part of the Lunches in School programme. Five children have won prizes so far - Jacob, Owen, Peyton, Eli and Alexander. Prizes have included stickers, small toys, Go Zone vouchers and most recently a Trust House voucher. It's been very exciting for them to look for the sticker at the bottom of the lunch container each week. Many thanks to the lovely lunch team at J Bar who make and deliver our lunches to us.

Over the holidays there will be a home reading challenge for any child who wants to complete it. This involves reading at least 10 books, recording the details and returning it after the holidays to receive a small prize. It would be great to have lots of children participating in the reading challenge.

I hope everyone has a relaxing break.

Ngā mihi,

Kim
