Principal's Message

Kia ora everyone,

It has been great to welcome everyone back to Term 3 here at our school. This term is a 10 week term, packed full of learning, events and trips.

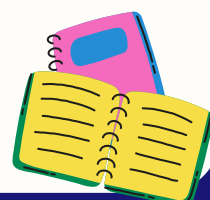

This coming Thursday we have a power outage at school. Our school will be open as normal as the company working on the lines have assured me the generator they are providing for the day is sufficient to run the school.

We look forward to our parent, teacher and student conferences next week where we can share and celebrate students and their learning journey. Please make a time on the booking sheet (if you haven't already) that works for you and send back to school please.

As we gear up for our school Board elections in September, I wanted to take the time to thank our current Board for serving, guiding and supporting our school. Our current members have dedicated their time and energy to ensuring our school continues to provide quality education to all students.

Have a great rest of the week, and feel free to call in for a cup of tea if you are passing by.

Take care,
Megan Roberts

Board of Trustee Elections

Keen to get involved in your children's education and/or support your community? School Board of Trustee Elections are being held this term. Information and nomination forms were sent to our school families at the end of last term. If you are interested in receiving a nomination form please get in touch with school, 027 239 3743.

How to nominate?

Anyone on the school's parent, staff, or student electoral roll can nominate themselves – you don't need to wait for someone else to do it.

You can also nominate someone else, as long as they're happy to stand. You can nominate more than one person.

If you're not a parent at the school, you can be nominated by someone who is on the parent electoral roll.

A candidate statement is not required at this point.

Nominations close Wednesday 6th August.

Curious about joining a school board?

Join our online info session on **22 July @ 7pm**

St John's Community Educator

Last week we were lucky enough to be visited by Jel, who is the Community Educator for St Johns, Hato Hone. All students participated in an hour long workshop where Jel covered First Aid Training for kids around bandaging, calling 111, burns and choking. A great resource to have for our students and you just never know when they might need to use these skills.

Changes to the school phone

Our copper landline is no more! The school now has a mobile phone. Our old phone number, 372 5800, still works and all calls to this number will be diverted to the new mobile.

However, you can now text or call us on our new number:

027 239 3743

Please let the school know if there have been any changes to the way we contact you at home, this is especially important for our school families as we need to have up to date information in case of an emergency.

Learning Conversations

Learning Conversations are taking place at school next week, Wednesday 30 and Thursday 31 July.

Enclosed with your newsletter is confirmation of the date and time you are booked in to come along. Please let the school know if you can no longer make your allocated time. Thank you.

Book club

The latest Lucky Book Club catalogue is included with your newsletter. Please have all orders and payment to school by **Friday 1 August**.

Please make all payments online to the account below, we no longer accept cash.

School Policies and Procedures

All our school policies and procedures are available online for you to look up and review anytime through the SchoolDocs website, here are the access details:

<https://www.schooldocs.co.nz/>

Username: Mauriceville

Password: together

The policies under review are listed on the homepage, if you would like to comment on a policy that's up for review, just click on the "Current Review" tab.

Teacher Only Day This term on Friday 22nd August

As a part of the new curriculum, each school has two curriculum days that we can use this year for teacher professional development in maths. This year we have decided to combine as rural schools with Tinui, Whareama and Wainuioru to do our professional development.

We are booked to do this on Friday 22nd August. This is week 6 of this term. Our school will be closed for instruction on this day and we thank you for your support in allowing us as teachers to learn, practice and seek support from our wider community of schools and colleagues.

Teacher Only Day Friday 22nd August
