Principal's Message

Kia ora everyone,

As we prepare for Week 8 of the term, it is exciting to see our office area building project nearing completion. I want to thank Tunncliffe Builders and their team who have been outstanding in their preparation and flexibility throughout this project.

We have a range of events coming up in the next few weeks, including Have a Go Sports Day, the Science Roadshow, and our weekly Kapa Haka trips as we prepare for the Cultural Festival in Week 10.

The children have now completed their camp calendar art, which is ready for purchase. Please see over the page for a preview of the calendar art available.

Over the next few weeks, we will also have Thomas from Wairarapa Bush visiting our school to lead Rippa Rugby sessions for everyone.

As always, have a great week, and take care.

Ngā mihi nui,
Megan Roberts

THANK YOU TO OUR FAMILIES

Thank you to our school families for your support with our Teacher Only Day last Friday. Our school staff, along with teachers and leaders from Tinui, Whareama and Wainuioru schools were onsite at Mauriceville school working hard and deepening our thinking around the revised Math curriculum - Te Mātaiaho.

We had the pleasure of being supported by Deb Ryan, our facilitator and we were well fed by our wonderful bus driver and local community member, now chef, Viv .

Learning is life long, for both children and adults and it was great to have our little rural school hosting this event.

Cereals

Many cereals are very high in sugar especially those recommended for children. That's before we add our own sugar to it. In some of our most popular cereals up to 40% contain sugar. Try weetbix, oats or try a hot brekky if time allows. Read the labels to compare different cereals.
